

Chapter 1- Vocabulary List

Regular Anatomy

Section 1.1 and 1.2

Anatomical position	Deep	Organ systems	Sagittal plane
Anatomy	Distal	Organism	Superficial
Anterior	Frontal plane	Organs	Superior
Appendicular skeleton	Inferior	Physiology	Tissues
Axial skeleton	Lateral	Posterior	Transverse plane
Cells	Medial	Proximal	

Section 1.3 and 1.4

Abdominal cavity	Integumentary system	Pelvic cavity	Serous fluid
Abdominopelvic cavity	Lymphatic system	Pericardial cavity	Serous membrane
Anterior cavity	Mediastinum	Pleural cavity	Skeletal system
Cardiovascular system	Meninges	Posterior cavity	Thoracic cavity
Cranial cavity	Muscular system	Reproductive system	Urinary system
Digestive system	Nervous system	Respiratory system	Vertebral canal
Endocrine system	Parietal membrane	Serous cavity	Visceral membrane
